Position of the role. The Deputy Managing Director holds the portfolios the Board assigns and deputises for the Managing Director when the Managing Director is unavailable. **Authority to act for the Managing Director exists only within a delegation recorded by the Board**, and only while it is in force. The two roles never exercise the Managing Director's authority at the same time on the same matter.

Role Purpose

The Deputy Managing Director gives the Company continuity at the top and depth across the portfolios assigned to it. The role leads those portfolios at director level, prepares to step into the Managing Director's position if required, and carries the same compliance and governance obligations as every other director.

Key Accountabilities

1. Deputising for the Managing Director

- Act for the Managing Director during absence or unavailability, within the scope and period of the recorded delegation.
- Record every decision taken while deputising and brief the Managing Director on return.
- Refer to the Board, rather than decide, any matter outside the delegation or any matter the Managing Director has reserved.
- Ensure third parties, including banks, are shown the recorded delegation before relying on the role's authority.

2. Portfolio Leadership

- Lead the assigned portfolios at director level: direction, oversight of the responsible heads, and reporting to the Board.
- Review portfolio performance, risk and compliance posture on a fixed cycle and raise concerns in the Board forum.

- Work through the Chief Executive Officer and the responsible head. Do not bypass the executive line to instruct employees below it.

3. Designated Director, Where Designated

- Where the Board designates this role as Designated Director, discharge the obligations set out in the Managing Director role charter in full.
- Where not so designated, support the Designated Director and the Chief Compliance Officer, and never seek to influence a compliance determination.

4. Statutory Duties as a Director

- Act in accordance with the Articles of Association, and in good faith to promote the objects of the Company for the benefit of its members as a whole, its employees and the community, as Section 166 of the Companies Act, 2013 requires.
- Exercise duties with due and reasonable care, skill and diligence, and with independent judgement.
- Avoid any situation in which a direct or indirect interest conflicts, or may conflict, with the interest of the Company.
- Disclose any concern or interest in other entities at the first Board meeting of each financial year and whenever it changes, as Section 184 requires, and take no part in any matter in which that interest arises.
- Achieve and attempt to achieve no undue gain or advantage for oneself, relatives, partners or associates.
- Maintain the Director Identification Number and director KYC in current standing, and inform the Company at once of any event that could give rise to disqualification under Section 164.
- Keep confidential all Board papers, deliberations and information received as a director, including after leaving office.

Authority and Limits

- **Exercises:** the powers of management assigned by Board resolution for the portfolio, and the Managing Director's powers only within a recorded delegation.
- **Requires Board approval:** matters reserved to the Board, and any matter outside the portfolio or the delegation.
- **Holds no authority** to direct a compliance determination, release an order, execute a payment, or instruct any employee to bypass a control.
- **Escalates to the Managing Director and the Board:** any regulatory notice, material loss or suspected internal fraud arising in the portfolio.

Board Evaluation Criteria

Criterion	Standard
Portfolio delivery against the Board-approved plan	Assessed annually by the Board
Decisions while deputising recorded and briefed	100%
Actions taken outside the recorded delegation	Zero
Instances of a compliance determination being overridden	Zero
Disclosures of interest made on time	100%

Eligibility

- Holds a Director Identification Number and current director KYC.
- Not disqualified under Section 164 of the Companies Act, 2013.
- Senior leadership experience relevant to the assigned portfolio.

Note for the Board

Record the delegation, or it does not exist. A deputy whose authority is informal creates two risks: a bank or counterparty refuses to act on it at the moment it is needed, or two directors act on the same matter with different instructions. A standing Board resolution stating what the Deputy Managing Director may do in the Managing Director's absence, and for how long, prevents both.

This description defines the scope of a Board position. It does not replace the Articles of Association, the Companies Act, 2013, or the Board resolution by which the appointment is made, each of which prevails over this document where they differ.

Acknowledgement

I have read and understood this role charter and accept the accountabilities and statutory duties set out in it, including the limits of the recorded delegation.
